

Felder starts challenge contest

WOODSHOP NEWS EDITORS • UPDATED: APR 1, 2020 • ORIGINAL: APR 1, 2020

During this stay at home time, the Felder Group wants to inspire and support all woodworkers across the country with the #felderchallenge.

“We are looking for new, creative ideas for exciting do-it-yourself projects,” the company said. “Have you built something by yourself and are really proud of it? We want to see it: Show us your very own, individual and unique do-it-yourself project.

“Write your own woodworking success story now, inspire others and secure great prizes such as our Hammer HS 950, Felder FB 510, our FAT 500 S and many more.”

The submission deadline is May 25, 2020.
